

A NEW PARTNERSHIP FOR NANNI IN ASIA!

NANNI has just signed with a new exclusive importer Naval Pacifico Maquinas Lda to develop business and marketing strategies in the area of Macau, Korea, Taiwan, Malaysia, Indonesia and Hong Kong (only for commercial) thanks to its operational offices and service stations.

Naval Pacifico Maquinas Lda (NPM) is incorporated in Macau with a well established reputation and expertise in the area for service and distribution of Marine and Naval Equipment.

NPM, with close connections to the boatyards, contractors, and project owners, is involved in many Governmental and Commercial project in these countries.

Nanni is proud to announce this new strong partnership which will considerably increase and strengthen the Nanni brand in the area, supporting current active distributors and dealers while recruiting and developing more partners.

Naval Pacifico Maquinas Lda now belongs to the international NANNI network as exclusive importer, managing the sales of the complete range of engines and gensets, spare parts and the after sales.

Wishing us a long lasting and powerful collaboration!
